

(j) *Intergovernmental review.* Grant projects are subject to the provisions of Executive Order 12372 which requires intergovernmental consultation with state and local officials. A loan fund established in whole, or in part, with grant funds will also be considered a project for the purpose of intergovernmental review as well as the specific projects funded with grant funds from the RCDG funds. For each project to be assisted with a grant under this subpart and which the state has elected to review under their intergovernmental review process, the state point of contact must be notified. Notification, in the form of a project description, can be initiated by the grantee. Any comments from the state must be included with the grantee's request to use RBS grant funds for the specific project. Prior to the RBS decision on the request, compliance with requirements of intergovernmental consultation must be demonstrated for each project. These requirements should be completed in accordance with "Intergovernmental Review of Department of Agriculture Programs and Activities," part 3015, subpart V of this title.
